RE: ETS – Legal Issues

We have planned a one-day session addressing the legal issues surrounding ETS issues for Friday, March 11, in the Conference Room on the 24th floor at 120 Park. Representatives of Shook, Hardy & Bacon will present the topics on the attached agenda live or via videoconference.

Please circulate the attached to those in your department who would benefit from attending. I would appreciate confirmation of the number of attendees by March 7.
